HT Lead (copper cored) black, 7mm

Brand:
Product Code: HTL

Price: $6.95

Short Description
Black double insulated 7mm copper cored ht lead, sold by the metre.

Description
High tension lead suitable for use with all Pazon ignition systems (can be used with other ignition systems).
Offers maximum reliability and spark energy, when compared to carbon fibre (resistive) ht lead.

Same cable as used in Pazon Smart Fire ignition systems and ready-made plug leads (HTL1/HTL3/HTLD).

HT crimp connectors, rubber ht covers and plug caps available separately.

Supplied in multiples of 1 metre (approx 39.4").

Features
Black double insulated 7mm multi-strand copper cored high tension lead.

19/0.3 copper strands, 1.35mm2 cross sectional area.
