HONDA CBX1000 Spark Unit Set

Brand: Pazon Ignitions
Product Code: HONDACBX

Price: $597.00

Short Description
Suitable for Honda CBX1000 six cylinder machines with the original factory electronic ignition.
These units are replacements for the OKI MPS-200 Spark Units (or equivalent). They are designed to work with the original pulse generators, mechanical advance and ignition coils.
These units do not incorporate advance/retard. Units plug into original wiring harness.

Set includes:
3 spark units, 3-way wiring harness, fixings, tie-straps & full fitting instructions.
